DRAFT

## INTRODUCTION

This is what the citations will look like (Abayomi *et al.* 2008; van Buuren 2007; van Buuren & Oudshoorn 2000). Rubin (1996) is an in-text citation.

## METHODS

## RESULTS

## DISCUSSION

## FUNDING

This research was supported by the University of Queensland and Australian Research Council grant...

## ACKNOWLEDGMENTS

Thanks to S Rathnayake and ???? for insightful comments on previous drafts of this manuscript.

\*
